## **Changi Airport unveils its year-end festive event, Changi Festive Village**

*Expect extraordinary experiences ranging from glamping under the stars, a winter experience to adrenaline-rushing races at a night go-kart circuit and much more*

**SINGAPORE, 19 November 2020** – Get set for a fun-filled escapade at Changi Airport and Jewel Changi Airport (Jewel) this year-end with the airport's annual festive event. Step into **Changi Festive Village** to experience a galore of exhilarating and first-time activities from today to 3 January 2021.

Be thrilled by ginormous dinosaur displays and a winter holiday house at Terminal 3 (T3), and a fun-charged carnival at Terminal 4 (T4). For those who want a different staycation, there are unique glamping experiences at Jewel's Cloud9 Piazza and Shiseido Forest Valley as well as overnight family stays at Changi Experience Studio.

### **Magical and fun experiences await at T3**

Step into the world of dinosaurs at this year's centerpiece festive exhibit, **Dino Wanderland**. Located at T3 Departure Hall, visitors can walk alongside majestic dinosaurs including the fearsome T-rex and snap photos with these prehistoric creatures.

Also at T3 Departure Hall is Singapore's largest double-storey snow fun house, **tokidoki Snow Holiday**. Go on a sub-zero snow adventure or slide down the 12-metre long snow luge. To add to the wintry fun, visitors can immerse themselves in a magical 'snowfall' experience and reminisce their favourite winter holiday.

Hop onboard **Air tokidoki** and go on a ‘trip’ with your favourite tokidoki characters. This tokidoki-themed photo spot at T3 Basement 2 features a model aircraft cabin with authentic cabin seats from a Boeing 777-200 aircraft. tokidoki fans will also be able to purchase a wide variety of character merchandise at the adjacent retail pop-up.

### **A sparkling Christmas at Jewel**

Over at Jewel’s Shiseido Forest Valley, marvel at the 16-metre tall Christmas tree and be transported into the magical world of Santa’s workshop. Stand under an interactive arch to reveal if you have been naughty or nice for that fun boomerang social media snap. Get frosty with spectacular hourly snow falls in Jewel’s lush indoor garden and Canopy Park.

Christmas magic continues at the 14,000 sqm Canopy Park, adorned with dazzling festive decorations to bring the extra sparkle to Jewel. At the park’s popular lookout point, pop out of the gift box and snap a photo with the HSBC Rain Vortex in the background. Along the Petal Garden, gift boxes light up to bring a heart-warming atmosphere. For the very first time, Jewel will be launching annual passes for Canopy Park and Changi Experience Studio, offering repeat visitors greater value all year-round. ### **Camp out in style at Jewel**

For the first time, indulge in a magical night under the stars in cool comfort and a majestic view of the HSBC Rain Vortex with **Glamping in the Clouds**. Located at Jewel’s highest level, the glamping tents are pitched next to towering ficus trees decorated with fairy lights. Each festive-themed tent accommodates up to four<sup>1</sup> guests and provides many picture-perfect Instagram moments. Those who wish to spend the night in a cool green oasis can also book one of glamp tents<sup>2</sup> set up at the ground level of the Shiseido Forest Valley right next to the HSBC Rain Vortex.

<sup>1</sup> The glampcation tent at Cloud9 Piazza can accommodate up to 2 adults and 2 children, or 3 adults.

<sup>2</sup> The glampcation tent at Shiseido Forest Valley has two queen-sized air-beds ideal for 4 adults or 2 adults and 3 children.

In the day, the glamp tents at Cloud9 Piazza are converted to host glampicnics for groups of up to five. Rain or shine, guests can enjoy an 'outdoor' picnic in air-conditioned comfort, with the option to add on a picnic basket with snacks, drinks and card games for more fun.

After a fun-filled day, enjoy a magical sleepover in tents within the air-conditioned comfort of the cosy digital attraction.

Alternatively, families who prefer a more free-and-easy camping experience, can opt for the **Changi Experience Studio Play + Sleepover** programme, which includes attraction tickets to Changi Experience Studio and Canopy Park, and a sleepover in the studio. Day-trippers can also sign up for a range of day programmes and workshops, including drone-flying, terrarium and aqua-scaping, and cycling at the Changi Airport Connector and Jurassic Mile.

### **Have a dino-mite time at the T4 carnival**

From 26 November, head to T4 for more dinosaur-themed adventures! Look out for **Dino Bounce**, a massive 30-metre long bouncy castle that will get guaranteed roars of approval. Whizz down a 4-metre tall slide and navigate a tree 'maze' at Dino Bounce Land, and continue on at Dino Bounce Sea to conquer a bouncy wave wall.

For thrill-seekers, fasten your seatbelts for an adrenaline-pumping go-karting experience at **Dino Kart**. Race up to 24km/h on the electric Go-Karts as you navigate exciting turns and bends. When the sun sets, expect a unique and fun night-karting experience complete with colourful neon lights and even a lighted tunnel to speed through.

After all the fun activities, fuel up on energy at **Dino Fest**, a festive market, opening on 3 December. Created by the team behind Shilin Singapore and Artbox Singapore, this is Singapore's very first dinosaur-themed carnival market.
