CANOPY PARK

On the top level of Jewel is Canopy Park, home to a variety of play attractions, nestled among lush greenery. Suitable for all ages, Canopy Park is a choice venue for corporate family days and teambuilding. There are also exciting dine-under-the-stars concepts located at the same level to satiate your tastebuds.

1. MASTERCARD® CANOPY BRIDGE

Suspended at 23-metre above ground, the Mastercard® Canopy Bridge offers guests an excellent vantage view of the breath-taking Jewel Rain Vortex. Adding to the thrill, the centre of the bridge is a glass-bottomed walkway, not designed for the faint-hearted.

2. HEDGE MAZE

Weave your way through Singapore's largest indoor hedge maze. Be rewarded with a bird's eye view of the maze's meandering design when you reach the top of the watch tower.

3. MIRROR MAZE

Venture into a surreal world of kaleidoscopic illusions. To escape from the maze or to indulge in the escapade?

4. TOPIARY WALK

Let imaginations run wild and capture your IG-worthy moment with the topiary animals at the photo-friendly enclave. See how many animals you can spot!

5. DISCOVERY SLIDES

One-of-its-kind in the world, Discovery Slides is both a playscape and a magnificent art sculpture. Unknown to many, the top of the sculpture is the highest point in Jewel that offers an unparalleled view of the majestic Shiseido Forest Valley.

6. FOGGY BOWLS

Immerse amongst misty clouds that promises to bring out the child in you.

9. PETAL GARDEN

Bask in creative displays of seasonal flowers in varied colours and shapes. From the delicate to the flamboyant, these blossoms will lift your spirits.

8. WALKING NET

Whether you choose a casual stroll or challenge yourself to balance on the steep slopes at its side, this is one walk you won't forget. Have we mentioned that the Walking Net hovers at 5 storeys above ground?

7. BOUNCING NET

Defy gravity and elevate the thrill as you leap on the giant Bouncing Net that stretches 250-metre and peaks at 8-metre above ground. Unlike typical trampolines, there is no metal frame, allowing for free play that is safe for the young and the young at heart.
