Shop and dine by the MAJESTIC WATERFALL

Share a meal with friends at the eateries with the calming waterfall view as your backdrop, or shop to your heart's content at the many international and local high street brands located here.

HSBC RAIN VORTEX

Let the world's tallest indoor waterfall steal your breath away. At 40 metres high, it is one of the centrepiece attractions that greets visitors when they enter Jewel. As spectacular by day as it is by night, it sets the stage for a mesmerising Light & Sound show, running from 7.30pm - 12.30am daily at hourly intervals.

#hereatJEWEL:

SHISEIDO FOREST VALLEY (West Trail)

This multi-sensory walking trail includes an interactive art installation created to enhance the experience of your visit to Jewel.

02

03

SHISEIDO FOREST VALLEY (East Trail)

Take a leisurely hike up this trail that leads you past cascading waterfalls on the east side of Jewel.

04

CRYSTAL CLOUDS

Day or night, the crystal clouds shimmer like stars to create a mesmerising kaleidoscope of colourful reflections framing Jewel's North Gateway Garden.

05

LEVEL 2 VIEWING DECK

This spot promises one of the best panoramic views of Jewel and makes for one of the top photo points be it day or night.

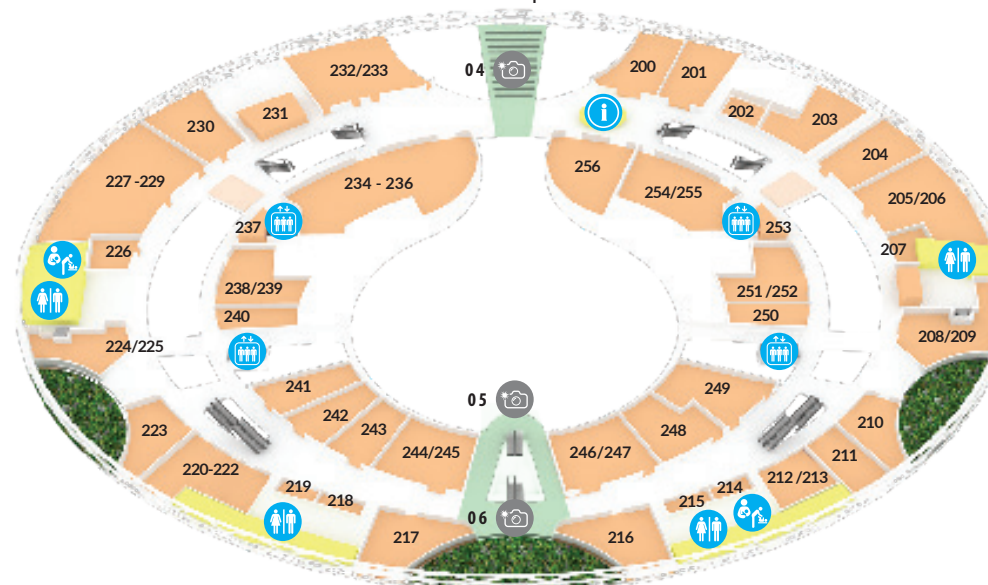

06

SOUTH GATEWAY GARDEN

Set against the backdrop of the iconic Changi Airport Control Tower, admire these statuesque palm trees that transport you into a modern oasis.

Have a fun-filled time at the Canopy Park where there's an array of exciting play attractions for the young and young at heart.

01 Hedge Maze

At 1.8m in height, the walls of foliage provide an immersive experience as you weave your way through Singapore's largest hedge maze.

02 Mirror Maze

Venture into a world of illusion at the world's first mirror maze set in a garden.

03 Topiary Walk

Let your imagination run wild with animal topiaries at this photo-friendly enclave.

04 Discovery Slides

Set within a reflective sculpted art installation are four different ways for you to descend and have fun!

05 Foggy Bowls

These concave bowls of mist will naturally draw children to play as if amongst clouds.

06 Manulife Sky Nets - Walking

Suspended across a void 25 metres above ground, this is one walk you won't forget.

07 Manulife Sky Nets - Bouncing

Experience the thrill of being almost weightless as you leap about this giant net that stretches 250 metres long!

08 Petal Garden

Look out for spectacular blooms that are always on display at this pocket of perennial spring.

09 Canopy Bridge

Experience walking amongst 'clouds' and step onto a glass-bottomed walkway 23 metres above ground.
